

Seeds of Friendship

<https://gardenclubofohio.org/seeds-of-friendship/>

Partners in Conservation (PIC) was founded in 1991 at the Columbus Zoo and Aquarium in response to the genocide of the people of Rwanda.

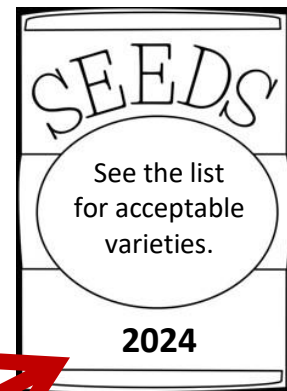

Garden Club of Ohio, Inc. has been a partner since 2007 with the goal of respectfully saving the rain forest and mountain gorillas. If local people don't have to use these resources to care for their families, the forest will thrive and the animals will survive. Seeds of Friendship has increase awareness of the importance of sharing our resources and the impact our program has made.

Thank you so very much for your generosity and kindness.

The **ONLY** vegetable and flower seeds that grow best in Rwanda and are needed by our partners are:

1. Bush Green Beans
2. Carrots
3. Green Peppers
4. Green Cabbage
5. Onions
6. Tomatoes
7. Cosmos
8. Zinnias

NOTE: All seed packets **MUST** be dated 2024.

NOTE: Church Women United will collect your seed packets –
IF they are delivered to Dorothy Lane American Baptist
Church on or before **Friday, March 29.**
960 W Dorothy Ln, Dayton, OH 45409
